Since joining the Revit® community in late 2012, Eagle has been working diligently to create our Revit® content library of catalog items. You can access Eagle’s Revit® library through AutoQuotes and KCL, or you can visit our website—www.eaglegrp.com—which features a link on the homepage that takes you directly to our offering in the KCL library.

Autodesk® Revit®
Architecture
### Shelving Families

- 3-Sided Channel Frames (A.)
- Aluminum Beer Keg Racks (B.)
