Stainless Steel Counter Tops

Counter tops fabricated to your exact specifications and field conditions. All fully TIG-welded with seams ground and polished into the parent metal.

Options include: Field joints, sink bowls, drain troughs, column cutouts, finishing of the back side of exposed back or end splashes, L-shapes, U-shapes, utility cutouts and holes, cup-sinks, provisions to mount fume hoods, and pass-through openings.

- 1) Choose from 16 or 14 gauge type 304 or 316 stainless steel.
- 2) Standard front edge Square or Box Marine, unless otherwise specified. *See detail 1.*
- 3) Standard height of back and end splashes is 4½", unless otherwise specified. *See detail 2 and 3.*

- 4) Either a mechanical hairline seam or field welded joint available per your specifications. Maximum length without seam is 144" length is reduced by 5½" for each end splash that may be required.

*Complete field welding and finishing services are available at additional expense.

- 5) Fabricated sink bowls available in most any size and depth with single or multiple compartments. Specify your requirements: Type 304 or 316 stainless steel, drain size and location, overflow hole if required.

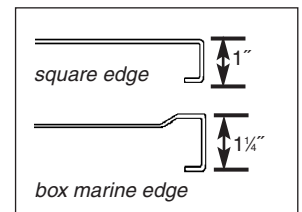

- 6) For backsplash mounted faucets, splash will need to be at least 2" deep for plumbing access, holes for deck mounted faucets are typically centered 1½" from the edge of sink bowl.

- 7) Both L-shaped and U-shaped tops are available per your drawings.
 - Corners are mitered and factory welded.
 - Maximum size without field joint provisions is 96" x 96" to fit into standard trailer for ground shipment.

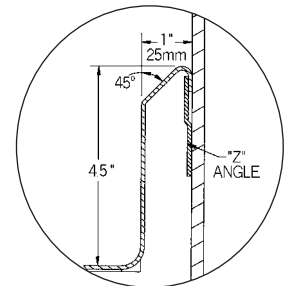

- 8) Counter tops have galvanized steel reinforcing hat channels. Sound deadening tape is factory installed. Top support options include; NSF listed sprayed latex sound deadening, and marine grade plywood backing with white laminate facing.

- 9) Standard packaging is wood reinforced cardboard and is included in the cost. Should full crating be required, it to will be included in the cost.

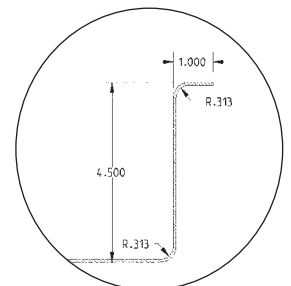

NOTE: Plumbing, electrical and refrigeration services available upon request, consult factory.
