

Pot/Pan Rack for Retail Display

*pot/pan rack display
shown with one additional bracket*

- 33" (838mm)-high stand is designed for displaying items such as cookware while allowing plenty of tabletop room to display additional retail items.
- Threaded stud is welded into the middle of a 12" (305mm) square heavy gauge chrome plated mild steel base (base is threaded into bottom of post). Entire assembly screws onto display surface (screws not included).
- Optional freestanding 22" x 30" (559 x 762mm) chrome base plate, available as an alternative to screw mounting.
- Comes with three display brackets with an 8" (203mm) hexagon pad welded onto each bracket. Overall bracket length is 10" (254mm).
- All components are chrome plated.
- Additional options include choice of Stand-Outs™ custom colors, specified post height, and additional brackets.
- Ships knocked down.
